## Over the Desktop

YOUR EDITOR HAS A NOTION that you may be confused by this issue of the Theta Magazine, which, to use modern jargon, is the most "mini-mini" of any we have ever had. Normally the Summer magazine contains college chapter letters plus much general news and totals 80 pages. This current issue contains none of the regular copy except for the rush flyer and totals 24 pages. The reason? Theta's Centennial. As we prepare for the exciting 1970 year numbers of routines are being interrupted, all to pave the way for this once-in-a-lifetime event.

This Summer magazine, 1969, stresses the Indiana part of the Centennial program which will take place in January, our founding month. The Honorials at the scene of the graves of our four Kappa Alpha Theta founders will occur on our actual founding date, January 27th. "Read all about it" in the four pages just following.

## A Centennial Invitation

---

Thetas across the nation will turn their attention to Indiana in January, 1970—the birthplace of Kappa Alpha Theta! You and all 78,000 members of Theta are cordially invited to attend any or all the events planned to honor the four young women, Bettie Locke Hamilton, Alice Allen Brant, Bettie Tipton Lindsey and Hannah Fitch Shaw, who founded our fraternity.

Festivities will begin on Saturday, January 24th, with a luncheon celebrating Founders' Day in Indianapolis with Grand Council present.

Sunday, January 25th, will find us in Greencastle for a Commemorative Celebration. This is the same campus where our fraternity pioneered 100 years ago—DePauw University—known as Indiana Asbury University when we were founded. A reception will follow.

Tuesday, January 27th, will feature the individual Honorials for our four founders, and a tea at the lovely Alpha chapter house.

Please study the schedule of events and complete the reservation form as soon as possible so that YOU can be included in the plans. The opportunity to participate in a fraternity milestone of such significance comes but once in a lifetime. Won't you plan now to join us in January?

## DIRECTIONS FOR USE OF RUSH RECOMMENDATION DIRECTORY 1969-1970

The Rush Directory lists Rush Recommendation Boards by state. It also contains a list of college chapter rush chairmen and rush advisers, names and addresses of State and Province Chairmen and Alumnae District Presidents. As available, lists of Authorized Rush Representatives will be sent to college rush chairmen and to Rush Recommendation Boards, if requested.

**ALUMNAE**—Send your recommendations on authorized white rush blank or the printed form on page 5 with attached letter to the Rush Recommendation Board serving the area in which your prospective rushee lives. If there is no Rush Recommendation Board in that area, send the completed rush blank to the college chapter rush chairman.

*Voluntary* recommendations made by you as soon as possible are the most valuable recommendations.

**COLLEGE CHAPTERS**—Green sheets from Rush Boards must be accompanied by a completed white rush blank. Recommendations from Authorized Rush Representatives will be on white rush blanks with pink slip attached. All white forms from alumnae where there is no Rush Board are legal.

If you must solicit a recommendation for a rushee, a request should be directed to the person listed for her town in the Directory or in the mimeographed listing of Authorized Rush Representatives which the chapter has received from Central Office. If there is no one listed, use form provided in chapter supplies to request names of alumnae in the area from the State or Province Chairman. If you receive no reply in a reasonable length of time, contact the Alumnae District President through your rush adviser.

**TIMING**—Submit all recommendations as soon as possible. College chapters need them by August 1, and if they go to a Rush Rec Board first, time must be allowed for processing.

Complete cooperation among individual alumnae, Rush Recommendation Boards and college chapters is necessary to guarantee the smooth operation of our recommendation procedures. All Thetas share the desire to select the best qualified rushees as members of our fraternity. It is the privilege of alumnae to recommend qualified rushees; it is the privilege of college chapters to select from among those recommended to them.
